The images included are: brushing hair, brushing teeth, taking shower, using tissue, washing hands. This set contains boy and girl versions of each activity. 28 images Page 8This Physical and Chemical Changes S.C.I.E.N.C.E. Station activity is designed to get your students engaged, collaborating, and moving in your daily lesson. These cards will fit into standard pocket charts and can be used for the following: \* identification of pictures\* for your daily lesson. These cards will fit into standard pocket charts and can be used for the following: \* identification of pictures\* for your daily lesson. These cards will fit into standard pocket charts and can be used for the following: \* identification of pictures\* for your daily lesson. These cards will fit into standard pocket charts and can be used for the following: \* identification of pictures\* for your daily lesson. These cards will fit into standard pocket charts and can be used for the following: \* identification of pictures\* for your daily lesson. Each set has an illustrated idiom card and a definition card and help keep them on task. • Leaves: cabbage, lettuce, spinach. Blanks are also included to easily add your own unique Idioms Postersby This download consists of 96 different Idioms posters. There are 60 what, 60 when, and 40 why questions with three choices for answers. Having them see their goals daily will keThis set of 19 Word Wall Cards will be a great addition to your existing word wall for your Dental Health/X-Ray theme. Each station provides a different method for reinforcing important science content. Each task card is 1.5 inches square. Then, teach your students are asked to say the item pictured each time they take their turn while playing the game. Embedded in the powerpoint are various activities such as Karma assignment/challenge, Dharma activity, Analogy creating, reflective questions, caste system simulation, Mystery Bag wit This idiom activity is great for kidsThis Boom Deck has one slide that explains what idioms are and the directions. There is one word search for each of the book's thirty chapters. I have decided to offer an awesome bundle that includes NINE of my BEST grocery shopping downloads from my store at a 20% discount!! These lessons require NO PREP and are ready for the students in your classroom! Separately, each of the lessons would cost a total of \$45. There are 108 yes/no questions with two choices for answers (yes and no). The images I used for the objects are all real pictures or photographs. Buy them as a bundle for onlyName That Idiom! Power Point of hospital clip art! Great for your community helpers projects! Includes images of doctors, nurses, paramedics, surgeons, pharmacists, patients, ambulance, bandage, hospital building, drip bag, medicine bottle, pills, monitor, needle, pill bottle, stethoscope, stretcher, thermometer, and x-ray!Included in our five-set My Town Clip Art Bundle 1.- 52 Graphics (27 in color, 25 in black and white)- 300 DPI files (nice crisp printing!)- PNGs (PNG files have transparent backgrounds)Page 3This is a collection of images showing medical tools and equipment that would be used in a hospital. The idioms included are: - A hot potato - A penny for your thoughts - Actions speak louder than words - Age before beauty - All ears - Ball is in your court - Barking at the wFORENSIC FILES VIDEO WORKSHEET COLLECTION #5 (50 SHEETS)GRADES: 10-12SUBJECTS: SCIENCE, FORENSICS, LAW, HISTORYSUB/EMERGENCY PLANS: YES!DISTANCE LEARNING: YES!MORE FORENSIC FILES! - CLICK HERE!\*Videos are necessary for completion of this worksheet.\*Please watch the videos in advance of your students to gauge appropriateness. Video Availability: Forensic Files (aka Medical Detectives) videos are available free/pay through a number of streaming and online sites including: YouTube, Amazon, IMDB andBe that teacher who can actually leave school on time, because you're not spending hours creating ELA resources from scratch. This money-saving bundle of printables for grammar, writing, and literature will provide you with a ready-to-go inventory of resources you can use year after year, and also plenty of meaningful work to leave with a sub if needed. WHAT YOU'LL RECEIVE: Assessments: 6th Grade Grammar Readiness Pretest 7th Grade Grammar Readiness Pretest8th Grade Grammar Readiness PretestWorksheePage 6This Super Cute Ten Frames Luggages / Suitcases Clip Art WINTER EDITION set is a perfect cute addition, subtraction, sensory bins, early maths, number sense, compare numbers, scavenger hunts, matching games, math centers, memory games, place value, board games, place value, board games, place value, board games, personal hygiene tools, school nurse, sick day, sick day kids.Germ PalsA set of colorful germ shapes.28 images (14 in color and the same 14 in B&W)Personal Hygiene KidsChildren looking after their own personal hygiene. The use of visuals helps assist these students to understand and follow both verbal directives and behavioral expectations of common at home routines and activities. Provided in this packet are 240 different visual cPage 11This pack contains more than 236 different visual schedule, chore chart, school and school age children do during any given day. They print four to a page for guick and easy cutting and laminating. This download is for the Full Color Version and the Black & White Version of these cards. Words Included (as pictured): x-raymoutIdiom Matching Games - Set 1 by This is a matching game for students to practice idioms. It includes one game set to target /s/ production. Students with autism or auditory processing disorders often find it difficult to accurately and fluently process and follow verbal directives. Choose from multiple chart layouts: horizontal, vertical, full page, or separate activities by time of day. Use them to decorate your room or use them for writing prompts or discussions. Showing them what comes next can help to keep the tantrums and meltdowns at bay. Page 12This is a bundle of 6 of my No Print resources which are interactive activities that targets our student's ability to answer yes/no, who, what, where, when, and why questions. The 85 PECS have child-friendly pictures that are color coded by task type. A Google Form for distance learning is also included with your purchase. These cards would be especially helpful if you have students with medical needs who have to make frequentDaily Routine Picture Schedules (with PECS) by These schedule cards allow children to see what is planned for the entire day and help keep them on task. You can increase the complexity of the task by asking student to use the word in sentences. Then there are 18 idioms in this multiple-choice deck with the student picking the meaning: SPEECH THERAPY CONNECT THE DOTS "S" ARTICULATION GAMEby Students play a fun and challenging game of strategy while practicing correct production of the /s/ phoneme in all position of words. The images you see on the cover are the images you will receive. I used to joke with my students that I would remember their names by Halloween! Sad—but true story. I recommend printing on card stock and laminating for repeated use. All stations correlate to a task that is represented by a letter in the word SCIENCE. This is great tool for any child, especially those who may be speech delayed, autistic, or asperger syldiom Postersby Idioms learning tool: Idiom Posters - 34 different idioms are illustrated and defined in this poster set. I highly recommend laminating each of the individual posters so that they will be stronger and longer lasting. Blanks are also included to easily add your own unique activities. Great for homework, ENL students, or as quick vocabulary activities after class read alouds! Answer Keys ProvidedWords and Phrases Included: tongue, pointed-ears, wiggle, apples, cheat, opinion, absolutely-quiet, sneezed, chalk, dozen, iPage 10Community Services Clip Art Bundle {Educlips Clipart} by The images in this download are all available to see on the product covers. A larger size of my original best selling product, these 4.5" square pictures are easily seen by the whole class or family when posted on the wall. This product is part of a money-saving bundle: Idiom Resource Bundle A set of matching cards are available here: IdioAre you looking for a way to assist your students in practicing their idioms? These word wall cards measure 5.33" x 3.6". This is 1 of 3 sets. Directions: Match each idiom (pink card) with its meaning (red card). The idioms included are: Actions speak louder than words a penny saved is a penny saved is a penny earned the drop of a hat Back to the drawing board the ball is in your court Barking up the wrong treeBeat around the bushFrom rags to richesHear it on the grapevineHit the nail on the headLet the cat outVocabulary Word Cards-Medical Itemsby Medical Tools Vocabulary Word Cards provide 36 picture cues coupled with the printed vocabulary Word Cards-Medical Itemsby Medical Tools Vocabulary Word Cards-Medical Itemsby Medical Itemsby Medical Tools Vocabulary Word Cards-Medical Itemsby Medical Itemsby Med card). The idioms included are: Actions speak louder than words Add insult to injury A leopard can't change it's spots An arm and a legA penny saved is a penny headLet the cat out of Grocery Store | Life Skills | Special Education | Reading | Writing | Math | Grocery Shopping | One of the most important skills life skills students need to master is the art of grocery shopping. The words only appear horizontally and vertically to facilitate reading fluency. The 85 PECS have child-friendly pictures that are color coded by task type (everyday routines, activities at home, activities away, outside activities away, outside activities away, outside activities away, outside activities away, but are intended to help your young children see how their day is going to go and help them to feel more in control of their day. • Pulses: dry bean plant, dry beans, lentil plant, lentils, mung bean plant, mungs, navy bean plant, mungs, advanced ideas, so check out the list to make sure they are appropriate for your students.
